Message from the Administration...

This school year École Lansdowne School is working at becoming a Positive Behavioural Interventions and Support (PBIS) school. All school staff have attended two professional development days in order to learn strategies and techniques to share with students in making our school a healthier and safer place of learning for everyone. Our goal is to improve our school's hallway and recess behaviour expectations.

We would like to take this opportunity to invite our community to attend our Remembrance Day Service on Tuesday, November 10th, 2009 at 8:30 a.m. in the gym. Poppies and stickers will be distributed to students after lunch and donations will be accepted in the office the week prior to Remembrance Day. We encourage Brownies, Girl Guides, Cubs, Beavers, Scouts and Cadets to wear their uniforms and/or vests that day if they wish.

This month teachers will be sharing information about your child(ren)'s progress with you. Teachers have been busy assessing and teaching students throughout the first two months of school and you will be provided with a report card describing your child(ren)'s strengths and needs based on the Winnipeg School Division's Comprehensive Assessment Program (C.A.P.). You can further discuss your child(ren)'s progress during our parent-teacher conferences. Research shows that when parents and the school work together to help children, this increases the chance of a child being successful at school. Please make every effort to attend during the conferences.

We would like to take this opportunity to thank our students who have taken on a leadership role in our school. These include the students involved with the Leadership Team, Conflict Managers, Student Council and School Patrols. The opportunity to grow as a leader and to be a positive role model for others is plentiful at École Lansdowne School and many students have taken advantage of these opportunities. We are proud of how they have shown a commitment to helping others through their enthusiasm and dedication. MERCI!

There have been many questions about school bus transportation to and from school from those parents whose children currently take the school bus. Please be aware, that at times, the bus will arrive late to either pick up or drop off your children. If this happens, please call transportation directly at 586-8800 or 775-0231. They can answer any concerns you may have about late buses. Also, if you wish to pick up your child at school on a particular day, rather than have them take the bus home, please contact our school office at **338-7039 before 2:30 PM**. Bused students get ready to board the buses shortly after this. Calls received after 2:30 may result in the child taking the bus home as we are unable to get the child off the bus once the buses leave our school.

Finally, this year École Lansdowne School will be celebrating its 25th anniversary as a French Immersion Milieu in May 2010! Please look for more information in the following months. Information will also be made available on our website at www.wsd1.org/lansdowne later in November.

We need your Help!

We have plenty of unclaimed clothes in our Lost and Found Box.

Next time you are in the school,
please have a look and take what belongs to you.
The Lost and Found box is located just outside the office.
