Dear Parents/Guardians:

Attached is the document "H1N1 Flu: Questions and Answers for Schools and Parents" from the Province of Manitoba.

This document has information you may find helpful.

Last school year you received a letter asking for your help to reinforce flu prevention with your children at home: washing hands; coughing or sneezing into the inside of the elbow; and not touching the eyes, nose or mouth. As part of the Winnipeg School Division's Pandemic Plan, we will continue to provide information to you to keep you informed.

Thank you for taking the time to read this information.

Sincerely,

Ira Udow,
Principal
