**October 14, 2008**

Parents/Guardians of our Grades 4-6 students,

## ***WOULD YOU LIKE AN INTERNATIONAL EXPERIENCE?***

For the past several years Brock Corydon School has hosted Korean students in our Grade 4-6 classrooms. This has been done in conjunction with Jay Choi, Program Director of Hanwood who coordinates this English Immersion Program for Korean Students. With the approval of the Winnipeg School Division, Jay Choi seeks out host families and schools willing accommodate these students during the school year.

The host family provides home stay for the visiting student (three meals a day and bedroom). The school provides a regular class experience for each student (one per class) and arranges a host family for the student (parents of a classmate of the same gender). Financial support is provided to the host family and the school. The host family receives \$600.00 per month and the school receives \$750.00 per month.

### **Benefits of the Program**

#### **Canadian Students and Parents**

- Multicultural experience for the future
- Opportunity to learn about the Korean culture
- Opportunity to make lasting friendships and links to Korea
- Motivation to study harder, especially in math, and computer

#### **Korean Students and Parents**

- Opportunity to improve English skills in an immersion setting
- Chance to experience the Canadian culture
- Reduced cost of studying in a foreign country to learn English
- Time to make friends and human networks in Canada

**We are now looking for a family of our Grade 4-6 students to host a Korean student from January 2 to February 27.**

Please let us know if you are interested in hosting a Korean student by calling the school office at 488-4422 or e-mail [iudow@wsd1.org](mailto:iudow@wsd1.org) by Monday October 20, 2008.
