October 23, 2008

Dear Families:

Today our school practiced our emergency preparedness plan. All schools are mandated to have an intervention plan in the event of an unsafe situation.

Being prepared for an emergency, and knowing how to respond appropriately and calmly when one occurs, helps to reassure frightened students and staff.

The "drill" entailed an announcement being made over the PA system that we will implement a lockdown. A lockdown occurred, which meant locking all inside doors. Blinds are shut and everyone remains inside their classrooms until an announcement is made that we are in a safe environment again. Following the practice staff discussed the situation with the children.

Please let us know if your son/daughter requires any further discussion. We thank our staff and students for calmly responding to this "practice" drill.

Sincerely,

I. Udow  
Principal
