

Grade 1/2 Supply List 2009/10
Camie Lawson - P3

The most important thing to bring to school next year is your ideas of what you want to study and the questions and wonderings which intrigue you. Bring a good idea you can't wait to write or talk about, perhaps a poem, a summer holiday story, what you've learned about your dog or giraffes or whatever you already are interested in passionately. Don't forget to write down the names of some of your favorite authors and bring the book you are currently reading or like to have read to you. We'll begin to get to know each other, to get re-acquainted, to plan and share the excitement of a new year together.

All students will be sharing our class materials. I am collecting money from each student to purchase what I feel is necessary as the year progresses. Please send the following supplies during the first week of school:

1 - school bag (labeled)

1 - pair of running shoes (labeled)

1 - box of kleenex

\$50.00 for supplies

\$35.00 for 4 MTYP plays
