***In the Know! A Parent Information Evening on Teens, Alcohol, & Other Drug Use***

(For parents of children ages 13 yrs or older)

A prevention & education consultant from the Addictions Foundation of Manitoba's Youth Services will facilitate an information session for parents and caregivers on the topic of youth alcohol and other drug use. The presentation will include information on: current trends and statistics, understanding why teens use and misuse alcohol & other drugs, parent prevention strategies, and community resources available to parents and youth including AFM programs.
