Dear Parents and Guardians of Grade 1 Students:

Instead of having each parent purchase supplies individually, we would like to buy the necessary supplies in bulk. This approach will save you the time involved in shopping for and labelling all items. It will also ensure uniformity of materials within the classroom and an attitude of “sharing and caring” we would like to foster. Based on the list of items required and the past experience with school purchased supplies, it is estimated that \$35.00 per student (payable the first week of school with cheques payable to Glenelm School Funds) will cover all costs. The \$35.00 will cover all school supplies and agenda book for room 7. If any money is left after the purchase of school supplies, the excess will go toward field trips and projects.

Please provide your child one backpack (large enough to hold 26cm x 33cm sized envelope).

For physical education classes as well as indoor use, students will require non-marking running shoes (labeled) which are to remain at school.

Thank you for your cooperation.

Yours truly,

Mrs. Willms and Mrs. McBurney  
Grade 1 Teachers  
Room 2—Main Floor

Note for students new to Glenelm School: For students new to Glenelm the following will be added to all supply lists: *Headphone for Computer Lab:* For hygiene reasons, we are requesting that each student have their own headphones to use in the computer lab. The school has purchased a supply of appropriate headphones which will be made available to students at cost. Please submit \$3.50 to your child’s classroom teacher on Wednesday September 9, 2009
