Dear Parents and Guardians of Students in room 6 in the 2009-2010 school year:

Instead of a school supply list for students who will be in room 6 during the 2009-2010 school year, I am requesting that each student bring \$35.00 (cheques payable to Glenelm School Funds) on the first day of school to cover the cost of all the school supplies for the year.

The \$35.00 will cover all needed French supplies, classroom supplies and an agenda. I will purchase the supplies at discount prices during the summer. If any money is left after the purchase of school supplies, the excess will go toward field trips and projects.

In addition to the \$35.00, please provide your child with a sturdy backpack for transporting homework and home reading books.

### Physical Education

Students will require non-marking running shoes which are to remain at school for indoor use and a change of clothing (shorts or gym pants and t-shirt or sweat shirt). Each student also needs one small drawstring bag to hold gym clothes. This will also remain at school for physical education classes. I have a few drawstring bags and can lend one to your child for the year if he/she does not already have one.

Thank you for your cooperation.

Yours truly,

Mrs. Coish  
Grades 4 and 5 Teacher

Note for students new to Glenelm School: For students new to Glenelm the following will be added to all supply lists: *Headphone for Computer Lab:* For hygiene reasons we are requesting that each student have their own headphones to use in the computer lab. The school has purchased a supply of appropriate headphones which will be made available to students at cost. Please send headphones or submit \$3.50 to your child's classroom teacher on the first day of school.
