

# Buck-a-Ball

One cannot build a play structure alone.  
But, a community can!

*Our goal is to have 250 / 250 of our school families  
contribute to our new play structure.*

**Buy a ball for a buck (\$1) donation  
and throw it into the bucket in the front lobby.**

School children can donate their money and throw their ball  
before or after school. Here's how:

Go to the office. Pay a dollar. Write your name on a ball.  
Throw it into the bucket. Use the ball court to set up your  
shot. If you miss, try again.

Once a month, at assembly, a name will be drawn and a prize  
awarded. All balls will be removed monthly. In June, all balls  
will be placed in a container and someone will dive into it and  
retrieve the winning ball for the grand prize.

Donations can be made at the office to Bev or Pam. Parents, friends,  
cousins, teachers and students can all donate. Bev and Pam will keep  
track of which families have donated and how much. Names of donors or  
non-donors will not be made public—just numbers.

**If any staff is willing to donate small or large prizes  
(5 needed) for these draws, please let Pam know  
and bring them in. First draw is February 26th.**
