Where ***brand names*** have been suggested we have found these products to be superior in their use in the classroom. If students have supplies left over from last year these will be fine.

Please ***label all supplies***, including the individual pencils, pencil crayons and markers. In addition to this we will be collecting **\$35.00** from each student for materials such as folders, binders, scribblers and a book bag which will be purchased by the classroom teachers.

Please do not purchase a backpack for your child as the school will be purchasing a book bag. Cheques may be made out to ***Montrose School*** and are due on the first day of school.

We would encourage all families to apply for your library card this summer. The library provides a number of resources only available to card holding members. Montrose School Parent Council has extended our Mabel's Labels fundraiser until Sept. 30th, to help your family keep track of your summer & fall clothing, sports equipment and school supplies.

Visit www.montrose.mabel.ca to find a variety of labels including ones that are skinny enough for pencils, and tags durable enough for clothing. Ordering is easy using our custom link and labels are shipped out the next day.
