

ROSSBROOK

By Stephen Andrews

Games

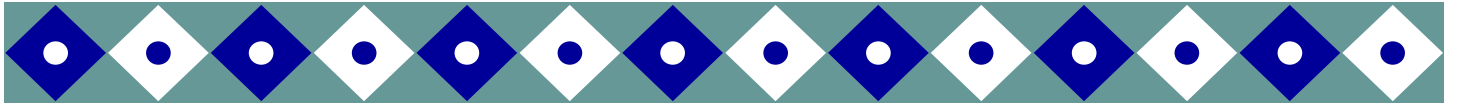

At Rossbrook they have a PS2, pool table, basketballs and we play baseball.

We have summer games and winter games. Sometimes I win. I came in second and third. I would have come in first but my friend Wayne beat me by one point. I said when I came in 3rd, “I hope I come in first next time.”

The Gym

In the gym we get to make crafts,
play sports, have a little treat to fill
our stomachs. I help Dale. She
works in the gym. I help her clean
up the gym. When she take kids
home, she lets me come for a ride. I
have fun with her.

How Many Kids

There are too many kids at Rossbrook. There are over two hundred kids. I go to Rossbrook and I help them out. I do good stuff for Rossbrook. I help them set up for stuff and I help them make snack.

We play sports like football and baseball. So I do lots of stuff for the kids.

Outing

At Rossbrook we go on outings. We go to Cybernet, on van rides and we go all over the place. After we go to 7 eleven or McDonald's. Sometimes we have light house or we play in the field. Sometimes we have trivia or we play musical chairs.
